on 4th April 2015
at Sourp Asdvadzadzin Armenian Cathedral in Nicosia*

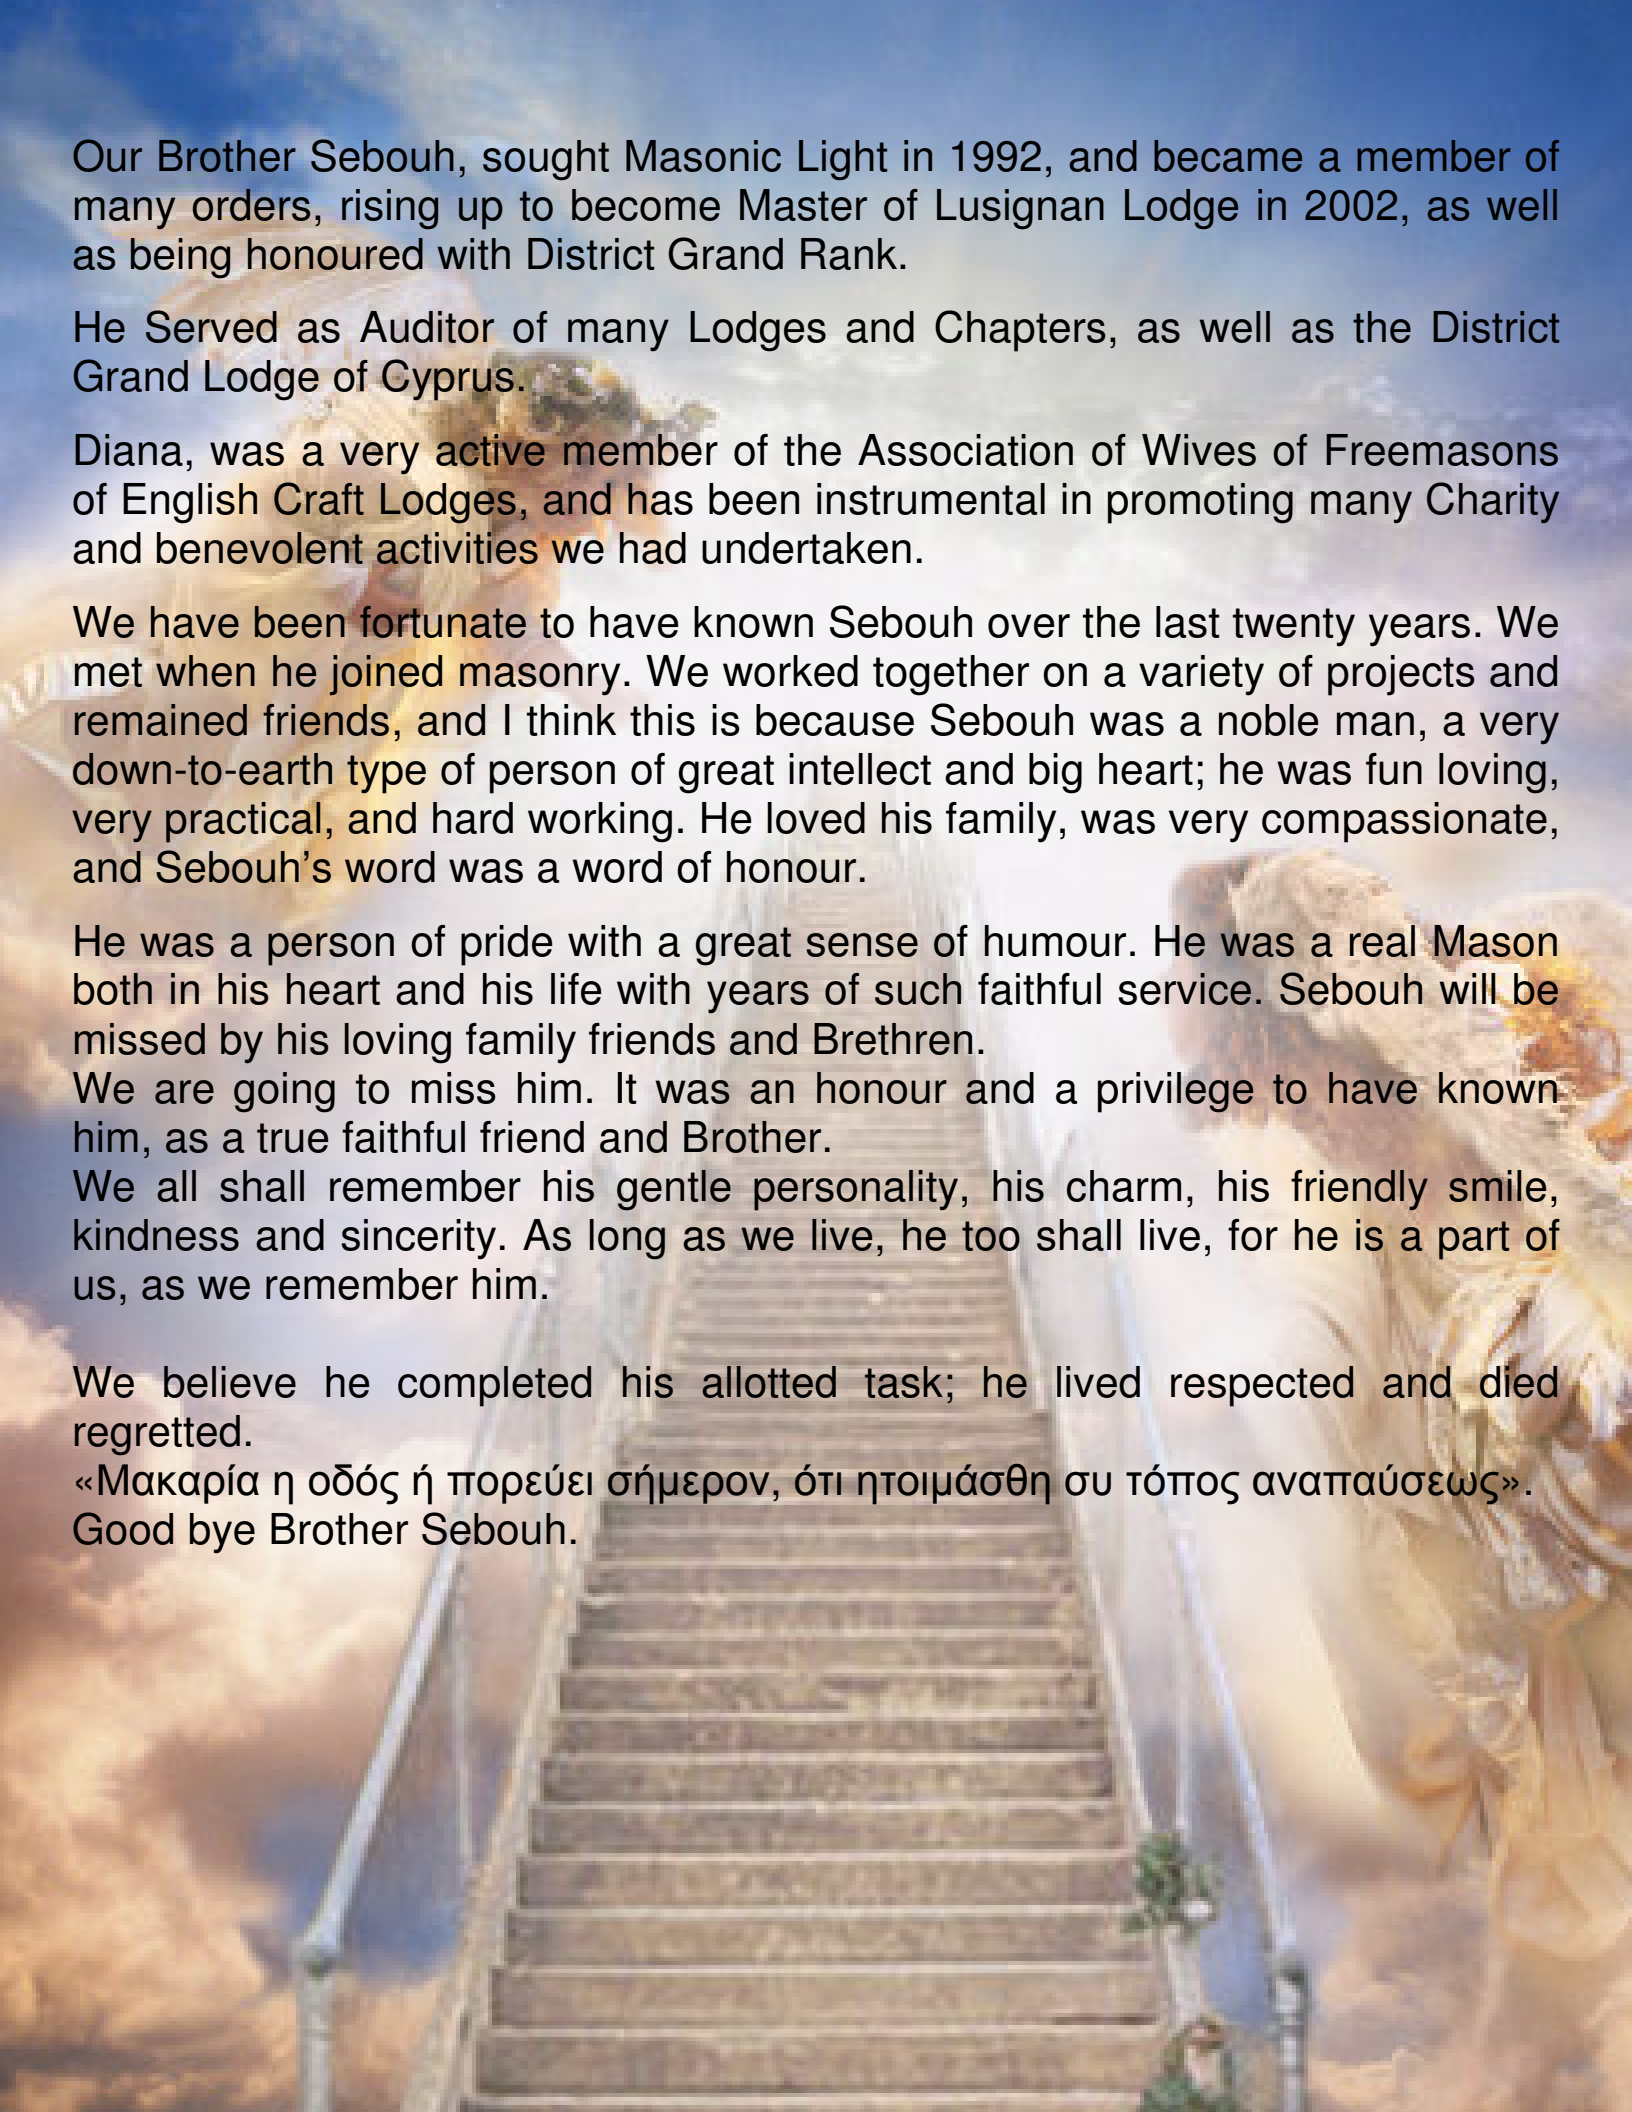

Family and Friends,

We are here assembled to pay tribute to a beloved Friend and Brother, Sebouh, who has answered the Summons of God, and has preceded us into the everlasting rest and joy of the Great Celestial City, in which, before long, we all shall be reunited for a Glorious Eternity.

Bro. Sebouh was born in 1942, in Nicosia. He Graduated from the English School Nicosia and Studied in the UK. He qualified as a Chartered Accountant, with an International career spanning across the world. He worked in many multinational firms in UK, USA, Saudi Arabia, Indonesia, Malaysia, and Singapore.

He finally returned to Cyprus in 1988.

Sebouh was married in 1983 to Diana the love of his life and they enjoyed a 32 year happy marriage. He was a Devout Christian, a devoted husband and Wonderful Father of 2 daughters Tatiana and Natasha.

Our Brother Sebouh, sought Masonic Light in 1992, and became a member of many orders, rising up to become Master of Lusignan Lodge in 2002, as well as being honoured with District Grand Rank.

He Served as Auditor of many Lodges and Chapters, as well as the District Grand Lodge of Cyprus.

Diana, was a very active member of the Association of Wives of Freemasons of English Craft Lodges, and has been instrumental in promoting many Charity and benevolent activities we had undertaken.

We have been fortunate to have known Sebouh over the last twenty years. We met when he joined masonry. We worked together on a variety of projects and remained friends, and I think this is because Sebouh was a noble man, a very down-to-earth type of person of great intellect and big heart; he was fun loving, very practical, and hard working. He loved his family, was very compassionate, and Sebouh's word was a word of honour.

He was a person of pride with a great sense of humour. He was a real Mason both in his heart and his life with years of such faithful service. Sebouh will be missed by his loving family friends and Brethren.

We are going to miss him. It was an honour and a privilege to have known him, as a true faithful friend and Brother.

We all shall remember his gentle personality, his charm, his friendly smile, kindness and sincerity. As long as we live, he too shall live, for he is a part of us, as we remember him.

We believe he completed his allotted task; he lived respected and died regretted.

«Μακαρία η οδός ή πορεύει σήμερα, ότι ητοιμάσθη συ τόπος αναπαύσεως».
Good bye Brother Sebouh.
