DGLC/pbb/001-2021

4th July 2021

Dear Brethren,

Relief fund for Cyprus Fire Disasters

You must be aware of the catastrophic events which have hit Paphos, Limassol and Larnaca areas over the past few days with fires raging in all areas at the same time. These fires have left many either homeless or with badly damaged dwellings and in need of help. This is the time that we as Freemasons can demonstrate what we profess is our guiding light, I mean Charity.

I have suggested to the District Grand Master and gained his consent that the District set up a relief fund and every Lodge on the Island may make a donation to it, this should be what the individual Lodge feels that they can afford to give and no limits are set. The District will also make a donation and the monies collected will be used in the best possible way to aid as many people as possible. This in no way limits an individual Brethren from making a donation on their own behalf if they so desire. Should the final outcome be a contribution to a national fund then this would be made in the name of the Lodges in the District of Cyprus.

The details of how and where to make the donations are below. The District Grand Master and I hope that you will support this initiative and by so doing the many people of Cyprus affected by this disaster.

The closing date for those who wish to participate is 31st July 2021.

Yours sincerely and fraternally,

Dave Penelrick,

President of the Board of Benevolence
