Under the Supreme Grand Chapter
of Royal Arch Masons of England

Ref: 20201113/dgs/suspension2

13th November 2020

Dear Brethren and Companions,

Suspension of Masonic Activities

On 11 November 2020 the President of the Republic of Cyprus , Mr Nicos Anastasiades, announced further strict measures with a view to preventing the spread of the coronavirus disease COVID-19, with legal effect from 8pm on 12 November 2020 until 11.59pm on 30 November 2020. These measures have been mirrored by the law of the Sovereign Base Areas of Akrotiri and Dhekelia.

District Grand Master/ Grand Superintendent's directive

In the circumstances, the District Grand Master/ Grand Superintendent has taken the view that in order to protect the health of members (and by logical extension their family and the general public) it is necessary to suspend all Masonic activity in Cyprus for the time being and therefore makes the following directive:

“All Craft and Royal Arch meetings, Lodges of Instructions and or rehearsals are suspended with immediate effect until 1 December 2020”.

The situation is being closely monitored and Brethren and Companions will be informed of any change.

Yours sincerely and fraternally,

Nigel Coombes
