DISTRICT GRAND LODGE & DISTRICT GRAND CHAPTER OF CYPRUS

Under the Supreme Grand Chapter
of Royal Arch Masons of England

10 September 2020

Brethren and Companions,

Resuming Masonic Activity in Cyprus

In light of the most recent Cyprus Government laws and relevant health and safety measures for the prevention of the coronavirus disease COVID-19 as well as those of the Sovereign Base Areas of Akrotiri and Dhekelia, and having consulted the District Grand Registrar, I am content that there is presently no requirement to extend the suspension in Cyprus. Accordingly, Masonic activity and meetings in the Craft and Royal Arch may begin again from 1 October 2020.

Masonic activity and meetings may only be held in obedience to prevailing laws and the relevant health and safety measures for the prevention of the coronavirus disease COVID-19. and Cyprus Government and Sovereign Base Areas laws and AASE Arsas National Guidance, local rules from Hall and Venue Companies, and in conformity with the General Guidance given, jointly with Mark Masons' Hall, be in view of the most recent Cyprus Government measures with a view to preventing the spread of the coronavirus disease COVID-19, all Lodge and Chapter meetings on the Island of Cyprus are suspended until 30 September 2020.

This decision will be reviewed from time to time.
